BOT-3222C-AM

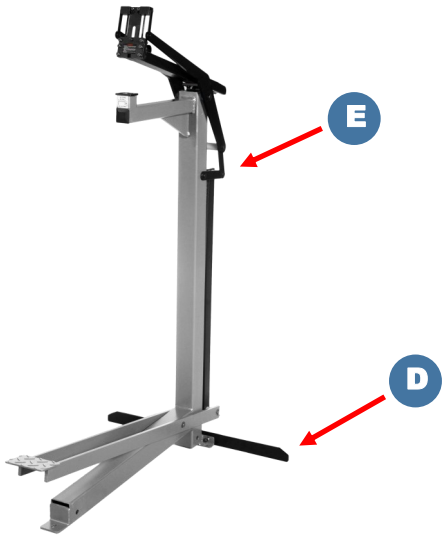

BOTTOMER STAPLER - ARM MANUAL

SPOTNAILS®

Manual Foot Operated

Assembly

- Install the balancer "D" (as shown).
- Install the Spring "E"

Loading

- Pull the pusher back until it stops then rotate to down position (as shown).
- Insert 4 strips of appropriate staples into the magazine from the rear.
- Pull the pusher back to upright position. Gently slide the pusher forward against the staples.
- **Magazine Capacity:** 300 fasteners

Operating

- Put the carton into a position.
- Press the pedal switch until the staples in the magazine stop, and then release.
  NOTE: Do not press the pedal switch without the carton in its position.
