

EP-1285

Serrated Pusher Sealer

Serrated Sealing Should Be Easy!

This heavy duty sealer features a classic durable design that provides superior sealing capabilities. The EP-1285 features jaws that serrate to seal to maximize strength. The unit comes with long handles to maximize leverage and features a soft-touch grip for comfortable usage.

STRAP TYPE	Polyester & Polypropylene
SIZE OPTIONS	1/2", 5/8", 3/4"
